

### Child Development

Get to know what people are like from 3 through 8 years old with respect to their physical, social-emotional, and cognitive development.

### Curriculum Development & Pedagogy

Learn to put children and their experiences at the center of your teaching, inspired by Dewey, practicing Reggio Emilia and PBL.

### Working with Adults

Learn to build effective, joyful teams which promote growth and excellence, and to repair them when they get off track. Learn to give and receive feedback.

# Extended Day Teaching Fellowship

A Cohort of Teachers-in-Training at Lab

### Reflective Practice

Learn to get the support you need from colleagues and supervisors in schools. Guided reflections on your own work to improve your practice.

### Design Thinking

Learn and use the DT process, adopt the mindsets and behaviors to supercharge your problem-solving.

### Classroom Management

Learn to create a community and culture in your classroom which supports most learners through transitions, higher and lower energy periods, and difficult moments.

## EXTENDED DAY TEACHING FELLOWSHIP

The University of Chicago Laboratory Schools runs an Extended Day program supporting 700+ students per year. We are searching to fill a part-time, 5-month after-school teaching opportunity with stipend, offered for aspiring teachers. The Extended Day Fellowships are with a group of same-age children between 3 and 8 years old. These positions require completion of a bachelor's degree and a commitment for the remainder of the school year.

The cohort of teachers-in-training will focus on:

1. Child Development
2. Curriculum Development & Pedagogy
3. Working with Adults
4. Reflective Practice
5. Design Thinking
6. Classroom Management

Stipend: \$1,500/month

Program Dates:

January 7, 2019 - June 14, 2019

Schedule will depend on age-group you're working with but generally looks like:

Monday, 1:30 pm - 5:30 pm

Tuesday, 1:30 pm - 6 pm

Wednesday, 12:30 pm - 5:30 pm

Thursday - Friday, 1:30 pm - 5:30 pm

Minimum Qualifications:

- Bachelor's Degree is required.
- Excellent communication skills, and the ability to collaborate effectively with others.
- Strong customer service skills, as well as a friendly and professional demeanor.
- Experience working with children, preferably with previous experience in a camp or school setting.
- Comfort working with mobile technology is strongly preferred.

Other Requirements:

- Ability to move in and around the classroom/building to interact with students, faculty, staff, parents, and other members of the community.
- Ability to escort children from one classroom to another, in and out of buildings during arrival and dismissal (where required), and in an emergency situation. This may include climbing stairs of up to 2 stories, where appropriate with younger children.

To be considered, please send a resume and cover letter to Becky Chmielewski at [extendedday@ucls.uchicago.edu](mailto:extendedday@ucls.uchicago.edu)

Schools

*Extended Day at Lab provides opportunities for children to connect with friends, discover and develop interests, and relax before and after school. Extended Day is designed to provide students with constructive, intentional, and meaningful opportunities to engage socially with one another, creatively with materials and concepts, and civically in the life of the Schools and community. Extended Day brings all of this to life within the familiar and enriching school environment.*
